

COUNCILMEMBER DONNA FRYE

**City of San Diego
Sixth District**

MEMORANDUM

DATE: April 20, 2005

TO: Mayor Dick Murphy
P. Lamont Ewell, City Manager

FROM: Councilmember Donna Frye

SUBJECT: Fashion Valley Road

In January the City Council declared that the failure of Fashion Valley Road constituted an emergency within the meaning of Charter Section 94 and that the public interest or necessity demanded the immediate expenditure of money, without advertising for bids, to enter into a contract to repair Fashion Valley Road. The City Council also authorized funding of \$1.2 million for emergency repair of Fashion Valley Road.

In January the time frame for construction was estimated at about 3 months. Fashion Valley Road leads into Fashion Valley Mall, Town and Country Convention Center, Riverwalk Golf, and the San Diego Trolley and Bus Transit Center and needs to be reopened as soon as possible.

Therefore, I respectfully request a discussion of Fashion Valley Road on the next City Council agenda.

Thank you for your attention to this matter.
